

HUNDREDS KILLED IN STREET FIGHTING IN BERLIN; EBERT GOVERNMENT STILL CONTROLS

Troops Reported to Be Massed Outside the City Awaiting Orders.

HINDENBURG ON THE SCENE

Conflicting Reports Come From German Capital As to Conditions; Radicals Reported to Be in Possession of the Railroads; Employes Quit.

By Associated Press.

LONDON, Jan. 8.—Several hundred persons have been killed in the fighting in Berlin, according to a Copenhagen dispatch to the Exchange Telegraph company, but up until 2 o'clock this morning no details of conditions there had been received. The government seems, at least provisionally, to be master of the situation.

Early Tuesday morning the Berlin government massed troops outside the city. The troops are ready to enter, it is said in the dispatch to the Exchange Telegraph company. Field Marshal von Hindenburg is reported to have arrived at Berlin.

BASEL, Switzerland, Tuesday, Jan. 7.—The German semi-official Weltbureau, which was removed to Frankfurt when the Berlin office was seized by the Spartacists, sent out a message today declaring that the Berlin soldiers, and workmen's councils and the garrison of the city had placed themselves on the side of the government.

The Frankfurt Anzeiger, on the other hand, declares that the Spartacists continued today to occupy some of the public buildings. They easily gained control of the railways, the newspaper adds, and the employes ceased to run the trains.

BERLIN, Tuesday, Jan. 7.—A Spartacist delegation today endeavored to confer with the government but was notified that the government's members could not discuss any matters until all public and private buildings now occupied by the counter-revolutionists had been vacated.

MAY BE REINSTATED

President Issues Order Affecting Men in Military and Naval Service.

WASHINGTON, D. C., Jan. 8.—Anticipating the time when men who left the Federal classified civil service to take up arms in defense of the country would be mustered out and, therefore, seeking employment, the United States Civil Service commission recommended to the President that provision be made for the reinstatement in the civil service of such men. Accordingly, the president issued the following executive order dated July 18, 1918:

"A person leaving the classified civil service to engage in the military or naval service of the government, during the war with Germany and who has been honorably discharged, may be reinstated in the civil service at any time within five years after his discharge, provided that at the time of reinstatement he has the required fitness to perform the duties of the position to which reinstatement is sought."

STAMP SALES SMALL

Students in Schools Purchase Total of \$226.20.

Small sales marked the opening of the War Savings Stamp drive for 1919 in the Connellsville schools, only a total of \$226.20 being purchased by the students. The sales are expected to pick up as the season progresses. The stamp is thought to be due to the heavy purchases made on the last "stamp day" in December, when many filled their pledges for 1918.

In the high school stamps to the amount of \$55.35 were sold. Students in the Second and Third ward schools purchased \$37.98 worth of the stamps and the South Side and Fourth ward schools bought \$91.86. In the Crawford school on the West Side \$44.46 were sold.

RATE INCREASES ANNOUNCED

Are Designed to Place All Railroads on Same Basis.

By Associated Press.

WASHINGTON, Jan. 8.—General increases in class and commodity rates in eastern and central trunk line territories and to and from Virginia cities, designed to bring the charges of non-federal controlled railroads up to the level of the increases given federal-controlled lines last spring, were approved by the Interstate Commerce commission.

LEGISLATURE GIVES ATTENTION TO THE PRELIMINARY WORK

Adjournment is Then Taken Until Monday Night, January 20; Inaugural Committee Named.

HARRISBURG, Jan. 8.—Amidst a profusion of flowers and in an atmosphere of complete harmony, the Pennsylvania general assembly began its 123rd session at noon yesterday.

The House organized with the election of Robert S. Spangler, of York county, as speaker. In taking the gavel, Mr. Spangler congratulated the House on the good feeling that prevails. The speaker promised a fair deal in committee assignments and fairness in presiding over the House.

Forty-seven of the 50 members of the Senate answered roll call. Judge Kunkel of Harrisburg, sworn in the new Senators. On motion of Senator Sprout, the Senate at once proceeded to the election of officers. Senator Clarence J. Buckman, of Bucks, was elected president pro tem over Asa K. DeWitt, of Luzerne, Democrat, by 41 to 6. The rules of 1917 were adopted.

In his address Lieutenant Governor McClain urged the Senate and the incoming administration to "re-invigorate principles in Pennsylvania government that have become feeble through neglect and almost forgotten through disuse."

Nine Senators and 15 Representatives were named as the inauguration committee to arrange for the induction of Governor William C. Sproul into the office of governor at noon on January 21.

Fifty thousand dollars was appropriated by the legislature for expenses. Governor Brumbaugh approved the appropriation.

Senator Crow, of Fayette county, and Senator Weaver, of Westmoreland county, are members of the Senate inauguration committee.

Both Houses adjourned until Monday night, January 20.

TERMINALS NEEDED

Pittsburg Lacking in These Facilities, Railroad Head Reports.

By Associated Press.

WASHINGTON, Jan. 8.—Inadequate terminals constitute the principal limitation on railroads' traffic capacities, said Cary R. Gray, director of the railroad administration's division of operations, in a report for 1918, made public today by Director General McAdoo. "This is one of the great lessons of the year's operations of railroads as a unit," he declared.

"Given weather conditions," he said, "and with the exception of the Pittsburgh gateway, there is no question of the ability of railroads to transport to destination all of the freight offering, either domestic or for overseas, provided there are facilities for prompt disposition and unloading at destination."

"The controlling factor throughout our experience has not been in the road transportation, but at the ultimate destination, and any serious conditions of congestion obtaining on any of the trunk lines enroute, has been the reflex of conditions at the terminals themselves."

EUROPE FOOD NEEDS

At Least 1,400,000 Tons Required, Relief Commission Reports.

WASHINGTON, Jan. 8.—At least 1,400,000 tons of foodstuffs, costing approximately \$350,000,000 delivered, will be needed to carry through until the next harvest the populations of the districts thus far investigated by the American staff of the commission on European relief. This estimate was sent by Herbert C. Hoover yesterday to the food administration in a cablegram reviewing the conditions as found in Central Europe and the Balkan states.

The surveys made by the American commission, Mr. Hoover said, disclose that meat, fat and milk are so short in many regions that the health of the people is very much impaired, and there is a constant menace through the threatened spread of Bolshevism, especially in the cities.

LENINE IS THRUST INTO JAIL BY AN ORDER OF TROTSKY

Differences Between Leaders of Russian Bolsheviks Reach Crisis.

LENINE FOR MODERATION

Fellow Organizer of the Overthrow of Law and Order in the Moscow Empire Favors Continuation of the Bolshevik Reign of Murder and Pillage.

By Associated Press.

COPENHAGEN, Jan. 8.—Nicholas Lenin, the Bolshevik premier of Russia, has been arrested at the command of Leon Trotsky, minister of war and marine, who has made himself dictator, according to a Moscow dispatch to the Gothenburg, Sweden, Gazette.

Trotsky was prompted to make the arrest because of a difference of opinion with Lenin concerning Bolshevik reforms, the dispatch states. Lenin desired to effect a coalition with the Mensheviks, or moderates, while Trotsky wished to continue the reign of Red terror.

CLEMENCEAU PAYS TRIBUTE TO MEMORY OF COL. ROOSEVELT

France Lost in Him an Excellent Friend, French Premier Says in Message to Mrs. Roosevelt.

By Associated Press.

PARIS, Jan. 8.—Premier Clemenceau has sent the following cablegram to Mrs. Theodore Roosevelt:

"On my return to Paris I learned with profound regret of the death of Colonel Roosevelt. France loses in him an excellent friend. Always animated by generous ardor, he has shown his sympathy for her on every occasion. He has been proud to give his son in the Allied cause and to thus contribute to the triumph of right. I will keep in faithful remembrance the amiable relations I have had with him."

"I beg you, madam, to accept the expression of my deepest condolence." (Signed) "CLEMENCEAU."

HARRISBURG, Jan. 8.—The House and Senate yesterday adopted resolutions of tribute to Theodore Roosevelt.

The Senate resolution recited that "in the demise of this great American our country has sustained an irreparable loss, that there has gone out from us a foremost citizen, whose patriotism, courage and devotion to the highest and truest ideals were at all times an inspiration, not only to our citizenry but to the peoples of the world."

The House resolution expressed similar sentiments.

NEW FLIGHT RECORD

Plane Covers 215 Miles in Roughing Plane in 15 Minutes.

CLEVELAND, O., Jan. 8.—What is believed to be a new world's airplane speed record was set yesterday in a flight from Dayton to Cleveland by Pilot Eric Springer and Mechanic Ernest Longchamp in a Martin bombing plane driven by two Liberty motors. The 215 miles were covered in one hour and 15 minutes, an average of 172 miles an hour. The previous record between the cities was two hours flat.

The machine carried gasoline, tools and baggage weighing 2,500 pounds. It was the first machine turned out by the Glen L. Martin factory here and had been at Dayton for several months undergoing army tests. The flight was not intended as a speed test.

SON OF FORMER TYRONE FAMILY IS CITED FOR GALLANTRY IN ACTION

Name of Private Frank Shallenberger Goes on the List of Yankees Distinguishing Themselves.

Private Frank Shallenberger, son of Mr. and Mrs. Walter S. Shallenberger, former residents of Lower Tyrone township, now living at Elwood, Ind., was cited for gallantry in action in France, official notice of his conduct under fire having been sent to his parents. Private Shallenberger is a nephew of Jacob Newmyer of Star Junction and a grandson of the late Rev. Arva Shallenberger, who years ago was a preacher for the Disciple church, now the Christian church. The citation follows:

"Discipline and Stout Hearts. 'I have read with much pleasure the reports of your regimental commander and brigade commander, regarding your gallant action and devotion to duty in the field on October 2, 1918, while on a raid within the enemy's line—Bolsode Warville—St. Mihiel sector—and have ordered your name entered in the records of the Yankee Division. C. F. EDWARDS, 'Major General, 'Commanding 36th Division.'

Frank Shallenberger enlisted in the service on April 1, 1918, and was sent to Camp Sherman, and from that training camp overseas. He was a member of the 101st Infantry.

RED CROSS MAKES READY FOR OPENING OF A REST ROOM

Basement of Second National Bank Building Selected As Place.

WORK OF FITTING IT BEGUN

Whether Quarters for Soldiers and Sailors Returning From the Front and Training Camps Will Be Ready This Week Is Said to Be Uncertain.

A large room in the basement of the Second National bank building has been rented by the canteen committee of the local branch of the Red Cross to be used as a rest room for returning soldiers, sailors and marines. Arrangements for the use of the room for that purpose were completed yesterday and work on its renovation was begun this morning.

The interior will be repainted and the room thoroughly renovated. It is not known exactly when the room will be opened for the use of the service men. The painting may take the remainder of this week, and it may not be possible to have the room opened next week on account of the large amount of other work connected with fitting it properly.

A meeting of the canteen committee will be held before the opening of the room to determine how it shall be conducted. It is possible now for the canteen committee to increase its membership to 50 in order that at all times of the day there shall be a woman member of the committee at the room to look after the comfort of the soldiers.

The opening of the rest room here is being watched with interest by the Uniontown and Brownsville branches of the Fayette county chapter. If the local enterprise is a success rooms will be opened in those two places, otherwise the movement will be dropped. The entire expenses are being paid by the Fayette county chapter.

INVESTIGATION IS

BEGUN INTO FIRE

IN FILM EXCHANGE

Death List in Pittsburg Disaster Is Increased to Nine; Property Loss Is \$100,000.

By Associated Press.

PITTSBURGH, Jan. 8.—Four separate investigations—city, county, state and federal—were under way today to determine the cause of the spectacular fire and explosion in a film exchange building in Penn avenue which late yesterday snuffed out the lives of nine persons, causing injury to at least 20 others, some of whom are expected to die, and entailed a property loss of \$100,000.

Around the smoke blackened and explosion torn ruins of the building this morning a large crowd gathered. Worn and tired firemen who braved the icy ladders when the fire was at its height last night, still were at their posts at daybreak.

Up to 10:30 o'clock this morning the cause of the explosion had not been determined. Plagant violation of the motion picture exchange regulations embodied in a city ordinance passed by council in 1917 were discovered by Coroner Samuel C. Jamieson this morning during an investigation of the fire.

LAST HOPE GONE

Supreme Court Knocked Prop From Under Forces of the Wets.

WASHINGTON, Jan. 8.—The last hope of those who oppose nationwide prohibition was swept away today. The Supreme court struck the last staggering blow to demon rum in an opinion sustaining the constitutionality of the Webb-Kenyon act, which forbids the shipment of liquor into dry territory. The same decision plainly made it self-evident that the same conclusions will apply to the prohibition amendment to the constitution, when brought up for review.

The court held that the Webb-Kenyon act is constitutional, although passed in the Senate over the President's veto with a bare quorum present. The opinion holds that it is not necessary for two-thirds of the body voting to be present.

MILL TOWN UP IN ARMS

The committees of citizens of Fayette and Westmoreland counties which are organizing to fight the increases which the West Penn Railways company proposes to inaugurate on January 27 will meet in Uniontown Friday night, instead of tonight as had been formerly announced. The meeting will be held in the offices of Attorney E. C. Higbee in that city. Notices have been sent out to the different committees of the change in the meeting night.

At the meeting petitions to be filed with the Public Service commission, protesting against the increase and asking that the company be restrained from putting them into effect on January 27, will be signed. For this reason it is held to be important that every committee of citizens be present at the meeting.

It is the purpose of those at the head of the fight, to be strongly organized in the protest. After the petitions, to be filed with the commission immediately, are signed in Uniontown Friday night by the several committees, supplementary petitions will be circulated throughout West Penn territory, to which thousands of signatures are expected to be attached. Scottsdale has appointed a committee to support the citizens in their fight against the increase in rates. The committee to join with the other town committees. It is made up of Burgess B. C. Fretts, President of Council J. E. Tristman and Solicitor F. B. Folk. Solicitor Folk contends that the borough cannot take any action as a borough but that it must be a people's fight, but council is ready to stand by the citizens in the fight.

GIVEN RECORD SENTENCE

Man Charged With Desertion Is Required to Pay Fine \$20 Weekly.

The heaviest sentence in Fayette county court annals in desertion and non-support cases was given Charles Rohland yesterday by Judge L. H. Rappert following taking of testimony in the suit brought by his wife, Rohland, who is a Uniontown glass blower, was sentenced to pay the costs in the case, his wife the sum of \$20 per week, a hospital and physician's bill and a bill at a local hotel contractor by the couple when they were living together. A bond for \$1,000 is required. Rohland was committed to the county jail until the terms are complied with. Mrs. Rohland has just been discharged from the Uniontown hospital where she gave birth to a child three weeks ago. She testified as to Rohland's actions toward her. The husband declined to make a defense.

THREE MORE RATIFY

Ohio, Colorado and Oklahoma Enter the Dry Column.

CHICAGO, Jan. 8.—Three more states yesterday ratified the proposed prohibition amendment, making a total of 19 states that have endorsed the proposal of Congress. The House of the Idaho legislature voted today for the amendment, but the Senate tabled the proposal, delaying action. The act needs to be passed by 17 more states.

While the proposed addition to the basic law was ratified yesterday by the legislatures of Ohio, Colorado and Oklahoma, representatives of the distillery companies of the country met in Chicago and decided to oppose both the amendment and the war prohibition law, which is to go into effect on July 1, by every legal means possible.

The states which have ratified the prohibition amendment are Kentucky, Virginia, Mississippi, South Carolina, North Dakota, Maryland, Montana, Arizona, Delaware, Texas, South Dakota, Massachusetts, Georgia, Louisiana, Florida, Michigan, Ohio, Colorado and Oklahoma.

CHARLESTON, W. Va., Jan. 8.—The senate of the West Virginia legislature at its opening session today unanimously adopted the federal prohibition constitutional amendment.

BODY OF ROOSEVELT LAID TO REST WITH SIMPLE CEREMONY

Widow of Former President Takes Last Look on Face in Their Home; They Wished It So.

By Associated Press.

OYSTER BAY, Jan. 8.—The body of Theodore Roosevelt was laid to rest today. Except for two sons absent as soldiers in their country's service overseas, the members of the family assembled in the living room at Sagamore hill shortly before noon today for the first of a trilogy of simple services—at home, church and graveside. Mrs. Roosevelt, sharing her husband's antipathy to funeral ceremonies, decided not to attend the church services nor to join the procession to the cemetery. It was announced that she would bid goodbye to the body of her companion in the house where they lived for so many years, while her children, who grew to manhood and womanhood in the atmosphere of the old homestead, would see all that is mortal of their famous father committed to earth in the family plot, topping the highest hill in Young's Memorial cemetery.

The home service, one of prayer alone, lasted hardly more than five minutes. The body of Colonel Roosevelt was carried into Christ Episcopal church shortly before 1 o'clock and the simple funeral service was immediately begun.

WANT BETTER SERVICE

Fairmont People Demand Restoration of Pullman to Pittsburg.

FAIRMONT, Jan. 8.—Claims for better service will be made of the Monongahela railway on Thursday morning when J. B. Yobe of Pittsburg, one of the officials of the United States Railroad Administration, will be here for a conference with the passenger committee of the Fairmont Chamber of Commerce and the Rotary club and citizens generally.

What the committee will endeavor to get for Fairmont is Pullman service restored between Pittsburg and Fairmont; an early accommodation train, which will take care of workmen employed along that railroad and later this train to return to Fairmont in the evening to accommodate these same workmen. The train which leaves here at 7:15 A. M., effort will be made to have as an express and the same of the night train, which arrives here from Pittsburg at 9:30 P. M. If this night train leaves Pittsburg about the same time or a slight bit later no objection will be made by the committee.

ACTRESS TELLS SECRET

A Well Known Actress Tells How to Darken Gray Hair With a Simple Home Made Mixture.

Joicy Williams, the well known American actress, who was recently playing at the Imperial Theatre in St. Louis, Mo., made the following statement about gray hair and how to darken it:

"Anyone can prepare a simple mixture at home, at very small cost, that will darken gray streaked or faded hair, and make it soft and glossy. To a half pint of water add 1 ounce of bay rum, a small box of Barbo Compound, and 4 ounces of glycerine. These ingredients can be bought at any drug store at very little cost, or any druggist can put it up for you. Apply to the hair twice a week until the desired shade is obtained. This will make a gray haired person look 20 years younger. This is not a dye, it does not color the most delicate scalp, is not sticky or greasy and does not rub off.—Adv.

Riding Togs for Cool Weather

Bright autumn weather has called out the devotees of horseback riding in numbers that have increased from week to week for the past two months.

Now that the war work is not so compelling one sees single equestrians and big, jolly parties, as well as many happy pairs, in the parks and roads. Judging from the smart togs of the women, a rumor that the side saddle was about to reappear is utterly without foundation.

As for the riding habits, they seem to have reached a degree of excellence in style and becomingness that makes it hard to suggest any improvement. Coats and breeches are cut on the same lines as last year, and there is little variation in them. The coats are trim about the body and rather full in the skirt but, while lines remain the same, tailors modify the construction to make the thin woman look less thin and the plump woman look slender. Nearly all coats have skirts that extend all the way round the figure, but there are exceptions to this rule, like the trim model shown in the picture above.

Heavy whipcord is a favorite

material and new habits made of it appear in Oxford gray, pepper-and-salt mixtures, dark green and brown, as well as in the perennial navy blue.

Black batter's plush sailors and tricorne, derbies and some soft felt hats make a choice in headwear that gives everyone a chance to choose something becoming. In vests there are many white and black models in stripe and cross-bar cottons and others of bright red wool with brass buttons, to be worn with coats that reveal only a glimpse of the vest. As for footwear, it's "boots and saddles" this season, the puttees that appeared in the spring having abdicated in favor of black or tan boots. Heavy gloves and gauntlets are in the same colors.

Soft tan-colored blouses for real utility and country roads are recommended. In white neckwear one may choose a stock, a plain turnover collar, or a crush collar, and in ties the ascot or the four-in-hand, besides the small cravat bow worn with turnovers.

A Serious Conflagration.

It was the day after the hodge-podge picnic, and Hogan was in a bad way.

"Och, murder, Hogan," he groaned, "it's me insides that's burnin' up intirely."

"Dye think, Mike, that ye could get th' folk under control wid a bottle of beer?" asked Miss Hogan.

"O' dunno," said Hogan, "but anyway it would help to wet down th' ruins."

Explanatory.

Lieutenant-Becker, what is an examining post?

Becker—An officer that examines posts.

Shour holds up his hand. Lieutenant—All right, Shour, tell what an examining post is.

Shour—A post where medical officers examine men.—Camp Leo Boyconet.

Unwieldy Patronymic.

"What is the name of the proprietor of this restaurant?"

"Sam Smith."

"But he's a Greek, and 'Sam Smith' isn't a Greek name."

"No. It was adopted for business reasons. There isn't room at the bottom of a check to sign the name he brought with him to this country."

POETIC SOLDIER.

A soldier who had been wounded on the Strome was brought down to the coast and eventually taken on board a hospital ship bound for Hilgity.

Vain Endeavor. The kicker's greatest grief, they say, is to have hours in this "un."

Though he complains as best he may No one has time to listen.

Just Accusation. She (indignantly)—Here's a man says women are inherently dishonest.

(He tenderly)—Well, aren't they at a'standing men's peace of mind and nibbling them? O. O. O. hearts?

Scout Officials to Meet. A meeting of all the scoutmasters and assistant scoutmasters of the Boy Scout troops in the city will be held Friday night at the Crowley-Mestrezar Company store. The meeting is called for 7 o'clock.

Dr. Newcomer Improves. The condition of Dr. G. W. Newcomer, who is receiving medical treatment at the Cottage State hospital, still continues to improve.

REV. MOYER LABORS FOR BEST RESULTS

Rev. H. K. Moyer, 4613 North Fifteenth street, Philadelphia, says he believes in putting his labor to the best uses and he recommends Tanlac as giving him the best of results. "I suffered from stomach trouble," he says. "My system was run down and I had a nervous breakdown. I read about Tanlac and the first bottle quickly demonstrated I was on the right road to recovery. In fact, the first few doses made me feel better. The excessive nervous condition began to subside. My appetite became better and I found I could sleep for a longer period."

The genuine Tanlac, which bears the name of J. I. Gore Co., on outside carton, is now sold here by Belghay's Pharmacy, Connelville Drug Co., F. H. Harpington, C. Roy Heisel and other leading druggists. Tanlac, the celebrated vegetable tonic, stomachic and health builder, is also sold in neighboring cities and towns. Ask for it.—Adv.

Fixing Up the House. "Have you no potted geraniums?"

"No. We have some very nice chrysanthemums."

Cholera Cost Heavy. Losses in Pennsylvania Due to Disease in Hogs \$75,000 Yearly.

Dr. T. E. Mines, state veterinarian, told the members of the Western Pennsylvania Veterinarian club at their monthly dinner in Pittsburg last night that while hog cholera is curable and can be comparatively easily stamped out, the disease is killing annually in this state more than \$75,000 worth of swine. He said there were raised in this state last year 1,150,000 hogs, valued at more than \$21,000,000, a large increase over the preceding year.

NO RESPECT FOR BIG STARS

Walter Regh of Boston Braves Had Reputation of Being Freshest Kid in Baseball.

Walter Regh, who started the season with the Boston Braves, is in the news. Walter had the reputation of being the freshest kid in baseball. In baseball Regh had absolutely no respect for any of the big stars of the game. Many batters who came up to the big leagues look up at the diamond stars like the new football rookie looks at the mighty captain of the squad. But not so with Regh. He had no respect for reputations.

When he joined the Pirates for the first time he was introduced to Hans Wagner, a rite which most rookies always took with awe. Regh took the big shortstop's horny paw and said: "Why, hello, Pory Grandpa; I've been reading about you."

Later Regh drifted to St. Paul and he went up next with the Red Sox.

The Sox were playing the Athletics one day while the great Macken were in their prime and while Eddie Collins was at his best. Regh was on first, when a hot single was knocked past Collins, placing Regh on second. Collins had made a futile stab for it.

"Eddie, I'm surprised at you," belittled the fresh kid. "Why didn't you grab it by the handle?"

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for cod-liver-oil—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like cod-liver-oil—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 50c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

DAILY HEALTH TALKS

The Many Mysteries of Nature

BY L. W. BOWLER, M. D.

You can take an onion seed and a pansy seed, and plant them side by side in the same spot of ground. In our case, you get an onion, with its peculiar strong odor, and in the other you get a flower of rare beauty. You can plant a poppy seed and get opium (a dangerous, habit-forming drug), or you can plant a flubard seed and get something that helps constipation. No scientist, living or dead, can explain these mysteries of Nature. Behind the invisible life germ in each seed is hidden the deep secret that nobody understands.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening drains, bearing-down pains, periodical irregularities, pelvic inflammation, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it.

Favorite Prescription should have the full confidence of every woman, because it contains no alcohol and no narcotic. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are injurious, and so he has always kept them out of his remedies. Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. for trial pkg. Tablets.

Special to The Courier.

SCOTTSVILLE, Jan. 8.—A telegram
was received yesterday from Thomas
W. List at Camp Merritt by his brother,
George List, stating that he would
be home on a furlough in a short time.
List is a member of Company E, 110th
Infantry. He was wounded in the battle
line. He was shot through the ear
and gassed.

Last came over on the transport
Northern Pacific and was landed at
Hoboken. He will be the first Com-
pany E man to return to Scotland.

W. C. T. U. Meetings.

Mrs. J. O. Glean was leader at the
W. C. T. U. prayermeeting at the Luth-
eran church yesterday. The subject
was "Church Unity Throughout the
World." Thursday will be rationed
day and every missionary society in
town is specially invited to attend.
On Sunday afternoon, at the Methodist
Episcopal church, the prayermeeting
will be for men and women and the
collection taken up on this day will
be for the French war orphan fund.

Dr. Slesley Re-elected.
Scottsdale Council met on Monday
evening. The term of Dr. N. E. Slesley
as a member of the board of health
having expired, he was unanimously
re-elected. In the recent influenza
epidemic Dr. Slesley filled the place
well that he is receiving the hearty
cooperation of every citizen and of coun-
cillman.

CORPORAL FRAZIER STAYING AT RESORT OF "MILLIONAIRES"

Member of 325th Infantry Writes
Interestingly to Mother Follow-
ing Close of War.

Corporal Eugene Frazier of the
325th Infantry, writing to his mother
from La Bourboule, France, tells of
being at that place on a furlough. He
says:

"Well, Mother, I am on a furlough
here and it is surely a nice place.
This is my second day here and I still
have five more. There are 12 of us
from Company L. The hotel I am stop-
ping at is a swell place. There are sev-
en of my pals here, too.

"I have a good bed and we got all
we can eat. This place is called the
'Millionaires' summer resort.' There
are mountains all around. Some of
them are above the clouds. The trip
on the train was all uphill. This is
Thanksgiving. The name of the hotel is
'President Wilson'."

"I met a couple of boys from the
325th and they were glad to see me.
There are a few from each regiment
here. I hope to be home before many
more months but I don't think it will
be for Christmas, as I had thought I
would when I wrote you last. There
was many a time when I thought my
time had come. I have seen men fall
on both sides of me, but I came out
without a scratch, with the excep-
tion of the time I got gassed. I am
well now and feel fine.

"I was talking to several boys from
'Chump' Shires' company here and
they told me he was killed in action.
I certainly felt sorry, as he was a
fine fellow. I will close with my best
regards."

Confluence.

CONFLUENCE, Jan. 8.—Miss
Christina Flanagan has returned to
her work in A. G. Black's store after
a siege of influenza.

Charles, here is improving.

Mrs. John Weaver, who several days
ago was called to Lebanon, O., an ac-
count of the serious illness of her
sister, Mrs. Thomas Conaty, has re-
turned home and reports her sister
improving.

Howard Wright has returned to his
work as superintendent of state roads
at Somerset after visiting his family
at Addison several days.

Mr. and Mrs. Frank Kurtz and
family of Bradfords were recent vis-
itors with Mr. Kurtz's brother, Lloyd
Kurtz and family here.

Jesse Coughenour was a business
visitor to Casselman yesterday.

Run-Down People Vinol is What You Need

Weak, run-down nervous men and women need
Vinol because it contains the most famous recon-
structive tonics in an agreeable and easily digested
form:—Beef and Cod Liver Peptones, Iron and
Manganese Peptonates and Glycerophosphates.

We guarantee there is no tonic equal to Vinol.

HERE IS PROOF

Detroit, Mich.
"I got into a weak, run-down con-
dition, no appetite, tired all the time
and headaches—but had to keep
around and do my housework. I read
about Vinol and tried it—within two
weeks I commenced to improve, and
now have a splendid appetite and feel
stronger and better in every way."
Mrs. John F. Watson.

For all run-down, nervous, anemic conditions, weak women, overworked men,
feeble old people and delicate children, there is no remedy like Vinol.

Physician Explains Who Should Take Nuxated Iron

Practical Advice on How to Help Build Up
Great Strength, Energy and Endurance.

Commenting on the
use of Nuxated Iron as a
blood builder by over
three million people an-
nually, Dr. James
Francis Sullivan, for-
merly physician of
Bellevue Hospital (Out-
door Dept.), New York,
and The West-
chester County
Hospital, says:
"Lack of iron in the
blood, not only
makes a physical
weakness, a nerv-
ous, irritable,
easily fatigued,
but it utterly
robs him of that
vital force, that
stamina and
strength of will
which are neces-
sary to success
and power in every
walk of life.

It may also transform a beautiful,
sweet-tempered woman into one who is
crack nervous and irritable. I have
strongly emphasized the great necessity
of physicians making blood examinations
of their weak, anemic, run-down pa-
tients. Thousands of persons go on year
after year suffering from physical weak-
ness and a highly nervous condition due
to lack of sufficient iron in their red
blood corpuscles without ever realizing the
real and true cause of their trouble. With-
out iron in your blood your food merely
passes through the body without being
used as it should be. The iron in the blood
is what makes the mill run.

For want of iron you may be an old
man at thirty, dull of mind, poor in
memory, nervous, irritable and all "run
down," while at 50 or 60 with plenty of
iron in your blood you may still be young
in feeling, full of life, your whole being
glowing over with vim and energy."

The accompanying article of Dr. Sul-
livan should be carefully read by every

man and woman who wants to possess
perfect health, strength, energy, and
a strong, keen mentality. Dr. Sullivan
tells how to increase the iron in our blood
and thereby gain greater physical and men-
tal power, brighter intellects and better
health.

But in my opinion you can't make strong,
vigorous, successful, sturdy iron men,
and healthy, rosy-
cheeked women by
feeding them on me-
tallic iron. The old
form of iron—iron
in iron ore—does not
go through a diges-
tive process to trans-
form them into or-
ganic iron—Nuxated
Iron—before they are
ready to be taken up
and assimilated by
the human system. No-
withstanding all that
has been said and
written on this sub-
ject by well-known physi-
cians, thousands of
people still insist on dosing themselves
with metallic iron, simply, I suppose,
because it costs a few cents less. I strongly
recommend to every physician, and to
every man and woman, to get a physi-
cian's prescription for organic iron—
Nuxated Iron—in its original package and see that
the particular name of Nuxated Iron ap-
pears on the package. If you have taken
preparations such as Nux and Iron and
other similar iron products and failed to re-
sults, remember that such products are an
entirely different thing from Nuxated Iron
and they will ruin your money. It is dis-
tinguished by A. A. Clarke and all good
druggists.

Some of it.

"People swarmed in here today
from all over France to see Mr. Wilson.
I guess maybe there were 300-
400 people. I was up on a winchpost
close to the station and had a good
look at him. He was smiling and lit-
tle of his hat. There were American
guards standing all along both sides
of the street just outside of the curb
for two or three miles just about two
feet apart. You can guess how many
there were.

"Calhoun died the other day in
tours. He was the tall fellow that
was with Brown, Peebles and me on
Governor's Island. He was from
Pittsburg, and a fine boy. Tom will
remember him. He was a young fel-
low, married and was one of our
famous quartet. I saw Miss Wilson
last night and heard her sing."

Mrs. S. K. Elcher of Peoria enter-
tained a number of her friends at a
fine dinner Sunday. Among the num-
ber were W. M. Jacobs, Miss Ida Mc-
Dowell, Miss Jessie Baker and Miss
Pearl Baker.

Mr. and Mrs. Ray Fowler and chil-
dren, Richard and Edward, of Greens-
burg, were visiting Mrs. Fowler's par-
ents, Mr. and Mrs. E. E. Miller, of Keffer's,
Sunday.

George W. Smitley of Keffer's was
in Uniontown on business yesterday.

Private Campbell Yothers of the U.
S. A. was calling on friends at Peoria
Friday last. He is home on a furlough
but is looking forward to the time
when he shall be honorably dis-
charged.

David Baker of Church Hill, who
has been suffering for several days
with an attack of quins, is much bet-
ter.

James Miller of Mount Pleasant was
visiting his parents, Mr. and Mrs. Ed-
ward B. Miller, of Keffer's, Sunday.

Mrs. Charles Chick of Uniontown
and Mrs. Stallenberger of Brownsville
members of the Mothers' Assistance
board, were at Keffer's Friday on busi-
ness connected with the organization.

Mr. and Mrs. Edward Senor of Scott-
dale, Christmas newsmen, after
sending their holiday wishes at Wash-
ington, D. C., were visiting the form-
er's father, Mr. B. Senor, of Keffer's,
over Sunday. The bride is prolonging
her visit for a few days, but the groom
returned to his work Monday.

Julius Freshlaw's expected soon to
be back from France and then he and
Mrs. Freshlaw will begin housekeep-
ing at Peoria. Freshlaw has a reputa-
tion in France as the maker of the
best doughnuts the soldiers ever
tasted, and he has promised when he
begins housekeeping here to give his
many friends a supper at which all
shall sample his famous product and
see for themselves that what the boys

in the trenches said is true.

The mercury reached one degree
above zero Sunday morning, the cold-
est point yet reached this season.

NEWS OF THE DAY AT MT. PLEASANT BRIEFLY RELATED

Ladies' Auxiliary to the A. O. U. Holds Its Annual Election.

MRS. MARY LOGAN IS PRESIDENT

School Board Fills Vacancy in Grade by Transferring Teacher From Church Street to Third Ward Building; Methodist Women Hold Meeting

Special to The Courier.

MOUNT PLEASANT, Jan. 8.—The ladies' auxiliary of the A. O. U. held its annual meeting at the St. Joseph's hall. The election of officers resulted as follows: President, Mrs. Mary Logan; vice president, Mrs. Mary Murtha; recording secretary, Mrs. Anna McGovern; financial secretary, Mrs. Jane Madden; treasurer, Mrs. Mary Murphy; sentinel, Mrs. Katharine Pittsford; mistress-at-arms, Mrs. Kate Murphy. A class of 19 was initiated. Father Backett made an address. Among the ladies present from out of town were Mesdames McGee and Peters of Monessen, and Mesdames McKay and Reves and Suits of Latrobe, Mesdames McConnell, McKarnes and Miss McClain of Greensburg. Following the meeting the ladies were entertained at the home of Mrs. Mary Logan where refreshments were served.

Teacher Transferred.
The school board held its regular monthly meeting on Monday evening and only regular routine work was transacted. Miss Ruth Fox on Monday morning will fill the vacancy caused by the resignation of Miss Lucille Rose, going to the Third ward building from the Church street building. The school board is looking for a teacher to take the place of Miss Fox.

Missionary Women Meet.
Mrs. M. O. Hopwood entertained the Missionary society of the Methodist Episcopal church at her Main street home last evening.

Personal.
Mrs. M. A. King entertained the United Brethren Aid society with a dollar social at her Main street home last evening.

NEW COAL MINING COST FORM ADOPTED JAN. 1 BY TRADE COMMISSION

More Elaborate Than the Form Replaced and Will Require More Time to Fill Out.

A new cost form, approved by the Federal Trade Commission, to cover the monthly cost reports of bituminous coal operators became effective for use beginning January 1.

One of the chief changes in the report is the subdivision of all costs between labor and supplies. Thus, under the heading of the various schedules, such as mining, haulage, ventilation, etc., it will be necessary for the operator to divide the item of cost between labor and supplies. On the form now being used only the total of such items is shown. Use of the new form, therefore, will necessitate considerably more labor in preparation than use of the old form, but will place in the hands of the operators themselves and the commission details as to costs not now reported.

The use of this form will be continued so long as the Fuel Administration desires the Federal Trade Commission to continue collecting the cost data contained thereon and possibly thereafter. In addition to the monthly form it is contemplated that condensed balance sheets supported by schedules be filed as of December 31 and every six months thereafter. The first balance sheet required, it is expected, will show conditions as of December 31, 1918.

Changes in the new form were adopted because the Federal Trade Commission felt that the information provided by the one now in use is inadequate. The new form is made up with the idea of elaborating upon the data now furnished and in this respect is thought by the commission to be a more scientific analysis than that given by the former report.

The new form will be printed on paper that will permit a legible typewritten carbon copy to be made. The forms will be distributed direct to operators.

SUPT. CARROLL'S ANNIVERSARY IS A HAPPY EVENT

Members of Family of County School Head Prepare Surprise in His Honor.

DUNBAR, January 8.—County Superintendent John S. Carroll's birthday anniversary was observed Sunday at his home at Dunbar. The superintendent was really surprised when those of his household informed him that he had reached another milestone on his pilgrimage. He enjoyed the good dinner and appreciated the remembrances, but none were needed to make him prize his many friends. In him every teacher has a friend, every school interest a defender and every pupil an advocate. He fits the place he occupies perfectly and both teachers, pupils and patrons are satisfied with his work. The schools will never take a backward step while he is county superintendent. May he have many more happy returns.

On the same day Superintendent Carroll was celebrating his anniversary a little school girl, Miss Margaret Williams, daughter of Mr. and Mrs. J. H. Williams of Fayette street, was also celebrating her "eighteenth birthday." This bright little miss is making her grades easily in the borough schools under the tutelage of Miss Ada Carroll, a daughter of the county superintendent, and from the beginning she is making the superintendent will have no reason to forget the girl whose birthday anniversary is the same day of the month as his.

Dr. E. B. Gule's mansion on Railroad street is nearing completion, and by spring, at farthest, he will occupy it. Besides furnishing a modern home for his family it will be fitted with an office for the doctor's use, thus adding to the comfort and convenience of both the family and the public. At present his office is necessarily separate from his home, though on the same street.

REV. MINERD WELCOMED

Successor of Rev. W. H. Gladden Preaches First Sermon at Percy.

DUNBAR, Jan. 7.—Rev. D. E. Minerd, who has been assigned to the pulpit of Percy Methodist Protestant church since the death of Rev. W. H. Gladden, preached to that congregation Sunday. Rev. Minerd is well known in that locality and is always welcome in that congregation.

Rev. Minerd also preaches at Mount Braddock where the people will not give him up. When not serving his parishioners he is found at his avowed shaping horseshoes—not swords. He is, however, a loyal American and quite expert in the use of the "Sword of the Spirit."

He was a "Wise Guy."

MOTHERS, DO THIS—

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use. It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frost-bitten feet and colds of the chest (it often prevents pneumonia).

Dawson.

DAWSON, Jan. 7.—John A. Nicol, chief yeoman of the U. S. S. destroyer Balch, is home for a 14-day furlough. Nicol was with the boat 15 months which was in foreign waters and was used in conveying troop ships from the war zone into the ports. Young Nicol tells many interesting stories of his trip. They left for the United States December 16 and stopped off at the Azores. He saw four submarines while with the boat, but they made no attack on the Balch. Nicol's home is near Star Junction. Previous to the war he was night crew dispatcher at Dickerson Run. He has a host of friends among the railroad boys and are all glad to see him.

Mrs. J. C. McGill and Mrs. Charles Gask are the guests today of Mrs. Martin Hassen, Conneltsville.

The dance last night given in the Cochrane banquet hall for the benefit of the soldiers at the Markleton sanitarium was a grand success. A large crowd was in attendance.

Persons who have not gotten dog licenses for 1918 should get busy as the time for getting same expires January 15.

BOY MAKES BIG PLUNGE

Fred Schwedt of the Northern High school, Detroit, national, scholastic plunging champion, demonstrated his superiority over the best of the New York school plungers in the pool of the Central Y. M. C. A., Brooklyn, where the Eastern Inter-scholastic Swimming association conducted a meet for the benefit of the united war work campaign. Schwedt won the plunge for distance with an effort of 74 feet. This is the best plunge record for a schoolboy in the last two years.
